

Help Me Grow

ORANGE COUNTY

Are you concerned with your child's development?

Are you challenged by your child's behavior?

Would you like information on parenting?

Call Help Me Grow for the Answer

The Help Me Grow Program connects families and children with developmental, behavioral and/or learning concerns to existing resources in the community. By calling the toll free number, **866.GROW.025**, parents, caregivers and child/health care providers have a single point of access into developmental and behavioral programs and services for all children, birth through five, who live in Orange County.

Help Me Grow connects families to services and support for:

- Health
- Behavior
- Development
- Learning
- Parenting
- Education
